Robert Russo
President & CEO

Port Jersey Logistics exists to empower the success of our People, our Customers and our Network. This done by developing tailored logistics solutions through creating collaborative partnerships with our customers to ensure their expectations are exceeded so they can focus on their core business.

This is achieved by dedicating ourselves to focusing on 4 key areas:

- **Relationships:** Working together as trusted partners, openly sharing ideas and expectations.
- **Teamwork:** Recognizing, respecting & aligning our goals with the goals of each stakeholder.
- **Productivity:** Continuous process improvement, by working together to assess, plan, execute and then re-develop solutions for improved efficiency.
- **Culture/Ethics:** Following the Golden Rule to operate with the highest level of integrity and respect.

Port Jersey Logistics offers six decades of 3PL experience providing comprehensive and integrated services that meet a broad range of logistics requirements. Customized one-stop solutions are built for our customers through our warehousing and transportation divisions which cater to a wide array of products including:

- Consumer Packaged Goods
- Specialty Foods
- Food Ingredients
- Health & Personal Care
- Alcoholic Beverages

Distribution and Fulfillment

Warehousing, Inventory Management, and Fulfillment are provided through our warehousing division, Tyler Distribution Centers, Inc. All facilities are food grade, FDA registered, AIB approved with Superior ratings, and USDA Organic Certified. Manufacturers, importers, exporters, distributors and retailers all benefit from our focus on compliance and technology in developing customized distribution solutions.

Value Added Services

As a comprehensive solution, Tyler Distribution provides value added services, such as:

- Retailer compliance
- Vendor consolidation
- E-commerce fulfillment
- Secondary packaging and assembly
- Shippers/point-of-purchase displays
- Ink jet printing
- Heat shrink packaging
- Labeling and ticketing
- Pick & Pack

With space and capacity flexibility as well as specialized capabilities, your public or contract warehousing and distribution requirements are covered. In addition to offering ambient and temperature-controlled warehousing, our operations utilize a full range of modern material handling equipment. Should your warehousing and distribution situation require dedicated operations, we have the resources to provide fast, effective solutions anywhere in the United States.

Transportation Management

Our national transportation management operation, Continental Logistics, Inc., provides solutions for customers with varied needs through multiple transportation modes. We provide our customers the human and technological resources that coordinate all of the logistics prior to pick-up and see everything through to ensure delivery.

With direct personal involvement of your dedicated Logistics Coordinator, we manage your domestic supply chain throughout the entire process regardless of what is needed to get things done the right way, on time and on budget! Continental Logistics Inc, offers the following:

- Retailer compliance
- Import / Export Drayage
- Less than Truckload "LTL"
- Full Truckload "FTL"
- Intermodal Transportation
- Project Management
- Cross Dock Transportation
- Vendor Consolidations

Scalable, Customized Solutions

Beyond warehousing and transportation, Port Jersey provides added value by developing solutions tailored to the needs of our clients - and our clients' clients. Our broad range of options exceeds customer expectations by integrating transportation and warehousing services with a focus on both compliance and technology.
